
File Grinder [2022]

If you often edit several files without renaming them, this is the tool you are looking for. File Grinder lets you play with files in a very intuitive way, making renaming and moving files easier than ever. The app analyzes all files to determine the renaming pattern, which is configured through the dedicated editor. Then, it provides you with a preview, and the ability to apply the newly-determined rules on files. With the help of the tool, you can: - Edit files using the provided template editor. - Create a renaming rule with a lot of options. - Define the minimum file size, etc. It also offers a collection of ready-made renaming rules for you to use.
