Please give us solution for Autodesk Ecotect Analysis 2011 With X-force Keygen 2017 390 Autodesk Autocad 2012 activation code ecotect analysis 2011 with xforce keygen Autocad 2012 activation code ecotect analysis 2011 with xforce keygen I need the login id and pass of the above email A: Try the below steps. Click on the below button. Click on this link [Download Crack](#) from the given link. Extract the crack. Run it. Enjoy. Q: how to build a spring-boot application using gradle? I am trying to build my spring-boot project using gradle. But I cannot see any build.gradle file in my project. Am I missing something? I am following this link [gradle-spring-boot-starter-example](#), where I see the gradle build file. Gradle build file is in this path `Build-Tools/build-gradle/build.gradle` In this file I am finding something like this `applicationDefaultJvmArgs = "-Xmx512m -XX:MaxPermSize=256m -XX:ReservedCodeCacheSize=512m -XX:+UseConcMarkSweepGC -XX:+UseParNewGC -XX:+CMSParallelRemarkEnabled -XX:SurvivorRatio=8 -XX:PermSize=128M"` But I am not getting which gradle script is generating above arguments. I see the line in this build file `plugins { id 'org.springframework.boot' version '1.4.3.RELEASE' }` which somehow downloads the spring boot jar in the local maven repo. I am unable to build the project, can some one help me on this? I am getting this error after executing the gradle build * What went wrong: A problem occurred evaluating root project 'sampleApp'. > File path refers to external repository " and > might be locked. My Gradle version is as follows. Gradle version 2.6. Build time: 2015-04-29
