## Nalimov Tablebases (3 4 5 6) (more Tablebases) Download

Nalimov Tablebases are endgame bases for players 3 to 6 designed by Evgeny Nalimov and provide more detailed information about checkmates. First published for 5 people at . However, because I wanted these bases to be available to more players, I developed lighter versions for 1 to 4 players for 6 people. Nalimov is a non-profit organization and all copyrights to the bases belong to me. However, databases can be used, created and published in any way, provided that you put a link to the site of Evgeny and Nalimov. I understand that these databases can only be distributed if you meet the following conditions: 1.
